

Data Set description

The has been cleaned which has has a large number of data having records of occurrence of crime with all the details related to it.

Columns are,

- Case Number-Varchar2
- Date-date
- Block-varchar2
- IUCR-Number
- Primary type-Varchar2
- Description-Varchar2
- Location description-varchar2
- District-Number
- Ward-Number
- Community area- varchar2
- Year- Number
